

2023-2024 Parent & Player Handbook

B & B VOLLEYBALL WEBSITE

www.bbvolleyball.com

Our website is the best source of information regarding our club. Our website includes club team individual pages that include the team schedules, rosters, photos, and announcements.

BENEFITS OF CLUB VOLLEYBALL

While the high school volleyball season lasts only a little over 2 months, club volleyball gives a player the opportunity to play organized volleyball for at least 6 months from November through April. Participating in club volleyball gives players the opportunity to improve their volleyball skills and compete against quality competition. Participation in club volleyball enhances the development of a solid work ethic, discipline, responsibility, independence, self-esteem, leadership, teamwork, self-confidence, sportsmanship and team commitment. Club volleyball also offers a player the opportunity to continue to develop volleyball skills while developing friendships and relationship with players from outside their high school teams. Participation in club athletics can improve the connection between academic success and athletic commitment by developing organizational and time management skills.

Club volleyball programs and players have become so successful that most college coaches recruit primarily from club teams during the club season, as coaches can observe many talented players in one location as opposed to visiting one player at a time in the high school ranks. Most college programs seek potential recruits with club training and competition as a pre-requisite. Most high school players join club teams in order to improve their skills and increase their level of competition.

TRYOUTS AND TEAM SELECTIONS

Players will participate in drills and games coordinated to give coaches the best chance to evaluate a player's skill, ability and potential for development.

Selections of players for our club teams are based on the player's performance at tryouts and the player's potential for development of skills. Coaches will be observing each player's skills, attitude, game performance, competitiveness and potential.

In rare cases and according to age guidelines, a player may be moved from one team to another within the club based on commitment level, position, the addition and/or loss of a player from another team. This may happen after discussing with the player, following consultation with a respective team member, parent, the coaches and directors.

PRACTICES

Players should make every effort to manage school work and outside activities to avoid missing practices, but it is understandable that an illness, injury or emergency may arise. If a player is unable to attend a practice, it is expected that the player will notify the coach or director in advance of the practice.

Players who are sick/contagious should not attend practice. Players that are injured are expected to attend practice even if unable to participate physically. By attending practice, injured players will gain by watching practice and learning from the coaches.

TOURNAMENTS

- All players are expected to attend every tournament. Players must notify their coach of any potential absence as far in advance as possible.
- Failure to attend a tournament or complete a tournament without prior notice/approval may jeopardize a player's position on the team.
- All players must wear the matching uniform color that is chosen in advance of each tournament.
- All players are expected to be in the gym and ready to warm up at the scheduled arrival time.
- Players will be expected to perform scoreboard, line judging and down ref responsibilities as assigned by the coach at each tournament.
- Players will remain with the team at the tournament until released by the coach and are expected to clean up their bench and camping area prior to departure.
- B&B Volleyball reserves the right to bring up players in any tournament to add to or complete a full roster.

OVERNIGHT TOURNAMENTS

B & B Volleyball director will make hotel room reservations for all participating players. Payment of travel and hotel expenses is the responsibility of the parent. At B & B Volleyball, we understand that parents will typically accompany players on the trips and so we do not raise our club fees to include hotel expense as we realize that parents will likely be paying for an additional room for themselves in addition to the required player room. This has helped to reduce overall player expenses. Any penalty or fee to B & B Volleyball resulting from the cancellation of a room booked in a B & B Volleyball room block will be the responsibility of the player/parent that the room was booked by/for.

Parents will be responsible for providing transportation for players going to and from tournament sites.

POST REGIONAL TOURNAMENTS

Some of our club's teams may qualify for or play in additional tournaments that are not included in the regular club season and are not covered by normal club fees. Participation in these events will be based on the interest of the team's players/parents to pay additional costs.

*****One of the goals of our Black level open teams is to win a bid at the GEVA Regional Championship to qualify for USAV Junior National Championships in Indianapolis, IN. Our Black level teams are to understand as part of accepting a team spot that they may qualify for post-Regional tournaments(Such as Nationals or Junior Olympics) and understand that all costs of these additional tournaments are the responsibility of the player/parents. B & B Volleyball will assist in parent-organized fundraising efforts where possible.**

OFFICIATING TRAINING

At tournaments, teams take turns providing scorekeepers, scoreboard operators, lines judges and down referees to cover matches. As such, all players not currently certified will be required to take an officiating clinic to learn necessary officiating skills. Details will be provided by the director after team selection.

PLAYING TIME

It is the goal of B & B Volleyball to perform competitively and successfully at every tournament. Playing time must be earned and is not guaranteed for any individual on any team or at any tournament. Coaches will take many factors into consideration when deciding playing time. Coaches will consider player skill/ability, level of effort/participation, attitude, attendance at practices & tournaments, and individual position. All team members will see playing time at each tournament(subject to disciplinary action), but not equal time. Players are not guaranteed playing time. Playing time is at the discretion of the coach. Player issues with playing time can be addressed directly with the coach and, if necessary, the director.

PLAYER AND PARENT BEHAVIOR / CODE OF CONDUCT

- B & B Volleyball adheres to the USAV Code of Conduct, as well as the following rules of behavior:
- Vandalism, possession, consumption and/or distribution of alcohol or tobacco products, and the possession of any illegal drugs are strictly prohibited at B & B Volleyball practice facilities and while in attendance at any B & B Volleyball activity.
- Foul, abusive, racial or derogatory language or inappropriate physical behavior will not be tolerated at club activities or on social media, groupchats, texts, emails, etc.
- There will be no tolerance for aggressive, intimidating and/or hostile confrontation between a player/parent/coach/official. This includes harassment and any sharing of foul, abusive, racial, derogatory information on social media of any kind.
- Good sportsmanship is expected of all B & B Volleyball players and parents at all events, which includes treating teammates, coaches, opponents and referees with respect. Unsportsmanlike behavior at a practice or tournament will be dealt with immediately.
- Players are expected to follow the coach's direction without argument at practices and tournaments.
- Parents are not to approach a coach during a tournament to discuss playing time or decision making. See Player/Parent Coach Interaction below for appropriate ways to address volleyball issues.

Violation of the above rules or the USAV Code of Conduct may result in suspension or expulsion from the B & B Volleyball Club without refund and is at the discretion of the club director. It is important to remember that you are part of a team and club, and your actions reflect on yourself, your team and your club.

PLAYER/PARENT/COACH INTERACTION

**In the event that a coach has an issue with a player:*

- The coach will first speak with the player directly
- If the issue remains unresolved, the coach will speak with the director, who will meet with the coach/player/parent to resolve the issue.

**In the event that a player has an issue with a coach:*

- Coaches are not required to discuss strategy. Coaches are not to be approached during a practice or tournament.
- The player must first meet with the coach outside of practice/tournament time to attempt to resolve the issue.
- If the issue remains unresolved, the parent(s) of the player may meet with the coach to attempt to resolve the issue.
- If the issue remains unresolved, the parent(s) and player may request to meet with the director and coach to resolve the issue. The decision of the director is final.

Remainder of team fee is paid in 3 installments:

50% payment(less \$500 commitment fee) due by: Commitment Night – Thursday, August 31, 2023

Next 25% installment due by: January 2, 2024

Final 25% installment due by: February 5, 2024

****If the scheduled payment is not received by the due date, the player will not be permitted to participate in any B & B Volleyball Club activity until payment is brought up to date.***

B & B ANNUAL AWARDS BANQUET

B & B Volleyball Club offers an end of season awards banquet following the conclusion of the season, giving our teams a chance to celebrate their season and award players in a number of categories for each team, including MVP, Most Improved Player, Best Serve, Best Defense & Best Leader. This event is fully catered with a DJ, music & dancing. It is a great event for players and their families and a great way to cap the indoor club season. Date TBD.

PARENT/PLAYER ASSISTANCE

Players and parents often have a number of questions during the course of a club season regarding a wide variety of topics. Please know that all members of the B & B Volleyball Club, including director and coaches, are available to assist and answer any questions that you may have. Ultimately, we look to make your club volleyball experience as positive and rewarding as possible. We look forward to another great season!
